Warning: the test of which side you are on in the war against good and evil around you and in you, and how effective you are, is how viciously Satan attacks you, labels you, and messes with your relationships and your business. So don't fight the devil until you are ready to fight to win - to hurt evil more than evil has hurt you. John 16:33 **In the world ye shall have tribulation: but be of good cheer; I have overcome the world.**
